NEW ELECTORAL ROLLS

By law Anglican churches have to create a new electoral roll every 6 years. This means that everyone has to fill in a new form in order to be included. Forms are being sent out to everyone currently on either church roll. Where possible this will be done via email, with paper copies to those who don't have an email address. The forms can be printed out and returned by hand, or scanned and returned electronically, but they must be returned to the church office by 17th March in order to be added to the new roll. Being on the electoral roll means that you can vote at the Annual Meeting, and you can receive up to date information about church matters on a regular basis. Forms are available at the back of church if you need one.
